A&A MASONRY

A & A Masonry Delivering What We Promise

A&A MASONRY approaches Commercial and Industrial work with the same passion for quality work that has made them an award winning Masonry Company and household name for their residential work. A&A's commercial division specializes in strip plaza brick repair, church restoration, apartment blocks and many other commercial and industrial brick restoration.

Like its residential roots, no job is too small or too big. Being a medium sized company, A&A is usually quick to react to your commercial requests and can usually get the job started quickly and at a price point that will be the most competitive in the industry, with quality workmanship that is unmatched. Make A&A MASONRY your choice for your next masonry project.

CUSTOM SOLUTIONS

Our Custom solutions include mortar colour matching, reclaim brick matching, brick cleaning while maintaining the integrity of the structure, working along side historical preservation societies and architectures and designers.

THE A&A MASONRY WAY

Quality

Quality is an important issue for us and all our work is carried out to the highest standards of workmanship with projects completed on time and to budget.

Communication

Communication is a major factor in the key to our success.

Any problems or changes in the job it is communicated immediately to the client so their is very little confusion or upset during the job. All of our employees understand this principle and adhere to our company policy on communication to our clients.

CURRENT TECHNOLOGY CONSULTING PROVIDES A TOTAL END TO END SOLUTION.

SITE MANAGEMENT

Our Site Managers are responsible for the smooth and professional progression of the job. They ensure all crews are on time and are supplied with proper equipment and supplies for the current job at hand. The Site Manager updates the client on the progress of the job in a timely manner ensuring that the client is never in the dark on the progress of his job. He also ensures that safety and cleanliness

of the all sites are maintained to the proper standards during the job. In addition ensure that proper site clean is done after the job is completed to the satisfaction of the client.

RESTORATION SOLUTIONS

A&A Masonry specializes in brick and stone restoration to preserve the integrity of the building envelope of older buildings. We also provide remedial weatherproofing services to correct construction deficiencies in newer structures.
